Come Holy Spirit come;

**G C D**

Let thy bright beams arise

**G C G C**

Dispel the darkness from our minds

**Em D G**

and open all our eyes

**G C G**

Convince us of our sin;

**G C D**

Then lead to Jesus' blood,

**G C G C**

And to our wond'ring view reveal

**Em D G**

The secret love of God

**CHORUS:**

**D**

Come Holy Spirit come

**C D G**

Come Holy Spirit come

**G D Em C**

Reveal to us the Father's love

**G D G**

And glorify the Son

**(VAMP: D C G)**

**LAST Chorus:**

**G D Em C**

Reveal to us the Father's love

**G D C C**

And glorify the Son

**Repeat First Verse**

**G C G**

Ti's thine to cleanse the heart,

**G C D**

To sanctify the soul,

**G C G C**

To pour fresh life in every part,

**Em D G**

And new-create the whole

**Repeat CHORUS x2**

**G C G**

Dwell therefore in our hearts;

**G C D**

Our minds from bondage free,

**G C G C**

Then we shall know and praise and love

**Em D G**

The Father, Son, and Thee

**G C G C**

Then we shall know and praise and love

**Em D C C**

The Father, Son, and Thee

**Repeat CHORUS x2**
