

Jesus, Lover of My Soul

Words: Charles Wesley, 1740. Music: ©2000 Greg Thompson.

INTRO:

C F

C F

Jesus, lover of my soul,

C F

Let me to Thy bosom fly,

C F

While the nearer waters roll,

C F

While the tempest still is high.

G F C

Hide me, O my Savior, hide,

G F

'Til Thy storm is past;

G F C

Safe into the haven guide;

Am G F

Receive my soul at last.

C F

Other refuge have I none,

C F

Hangs my helpless soul on Thee;

C F

Leave, oh leave me not alone,

C F

Still support and comfort me.

G F C

All my trust on Thee is stayed,

G F

All my help from Thee I bring;

G F C

Cover my defenseless head

Am G F

In the shadow of Thy wing.

Key: C

C F

Thou, O Christ, are all I want,

C F

More than all in Thee I find;

C F

Raise the fallen, cheer the faint,

C F

Heal the sick, and lead the blind.

G F C

Just and holy is Thy Name,

G F

I am all unrighteousness;

G F C

False and full of sin I am;

Am G F

Thou art full of truth and grace.

C F

Plenteous grace with Thee is found,

C F

Grace to cover all my sin;

C F

Let the healing streams abound;

C F

Make and keep me pure within.

G F C

Thou of life the fountain art,

G F

Freely let me take of Thee;

G F C

Spring Thou up within my heart;

Am G F

For all eternity.

(Repeat First Verse)
