A C#m D E A
My long-awaited— Christ has come,
C#m D E A
Run and tell your brother— run and tell your dad and your mom;
C#m D E A
No more, no more, no more— will the darkness ever win,
C#m D E D E
A new day is dawning— Come and see the new day begin.

A C#m D E A
My long-awaited— Christ has come,
C#m D E A
Run and tell your neighbor— just what Jesus has done;
C#m D E A
No more, no more, no more— anger and despair,
C#m D E D E
Got a home over yonder— and soon I'll be there.

A C#m D E

A C#m D E A
My long-awaited— Christ has come,
C#m D E A
Such a dark road he traveled— just to bring me home;
C#m D E A
No more, no more, no more— will I wonder if I'm loved,
C#m D E D E
Evermore, evermore, evermore— shall my soul praise the Lord.

A C#m D E
Halleluia
