

# O Love Incomprehensible

Key: F

©2001 Kevin Twit Music.

Words: Augustus Toplady & Anne Steele, 1760 (verse 4: Cameron Gray). Music: Kevin Twit.

CHORUS:

**F F/D F/Eb F/D**  
O Love incomprehensible  
**F F/D F/Eb F/D**  
That made You bleed for me  
**F F/D F/Eb F/D**  
O Righteous Judge You suffered all  
**F F/D C**  
To set Your prisoner free

**Bb C**  
1. What agony, what soul-oppressing pain  
**Bb C**  
Has my Great Redeemer born—For me!  
**Bb C**  
While bloody sweat falling like drops of rain  
**Bb C**  
Distilled from every pore!—How can it be?

(Repeat Chorus)

**Bb C**  
2. And did my spotless Savior live for me?  
**Bb C**  
And did He die upon that mount?  
**Bb C**  
His full obedience in life and death,  
**Bb C**  
Now placed to my account!—How can it be?

(Repeat Chorus)

**Bb C**  
3. Now on Christ alone my hope relies,  
**Bb C**  
And beneath His cross I fall  
**Bb C**  
O my Lord, my Life, my Sacrifice,  
**Bb C**  
O my Savior and my All!—How can it be?

(Repeat Chorus)

BRIDGE:

**C#m Ab**  
4. O Come and worship now the risen Christ  
**C#m Ab**  
Triumphant o'er the grave  
**C#m Ab**  
For neither flesh nor hell can e'er prevail  
**Bb C**  
O'er His mighty power to save—How can it be?

ENDING CHORUS:

**F F/D F/Eb F/D**  
O Love incomprehensible  
**F F/D F/Eb F/D**  
That made You bleed for me  
**F F/D F/Eb F/D**  
O Righteous Judge You suffered all  
**F F/D F/Eb F/D**  
To set Your prisoner free, To set Your prisoner  
**F F/D F/Eb F/D**  
Free, To set Your prisoner free, To set Your prisoner  
**F F/D F/Eb F/D**  
Free, To set Your prisoner free, To set Your prisoner  
**F**  
Free.
