Key: B

E B E B
All my lifelong I have panted
E B F#
For a drink from some cool spring,
E B E B
That I hoped would quench the burning
E B F#
Of the thirst I felt within

E B E B
Well of water ever springing,
E B F#
Bread of life so rich and free,
E B E B
Untold wealth that never faileth,
E B F#
My Redeemer is to me.

(Repeat Chorus)

CHORUS:

G#m B C#m B
Hallelujah! He has found me
E B F#
The one my soul so long has craved!
G#m B C#m B
Jesus satisfies all my longings,
E B F#
Through His blood I now am saved.

ENDING CHORUS:

G#m B C#m B
Hallelujah! He has found me
E B F#
The one my soul so long has craved!
G#m B C#m B
Jesus satisfies all my longings,
E B F#
Through His blood I now am saved.
E B F#
Through His blood I now am saved.
E B F#
Through His blood I now am saved.

E B E B
Feeding on the filth around me
E B F#
Til my strength was almost gone,
E B E B
Longed my soul for something better,
E B F#
Only still to hunger on.

(Repeat Chorus)

E B E B
Poor I was, and sought for riches
E B F#
Something that would satisfy
E B E B
But the dust I gathered round me
E B F#
Only mocked my soul's sad cry.

(Repeat Chorus)
