

Thou Lovely Source of True Delight

©1998 Kevin Twit Music. Words: Anne Steele (alt Kevin Twit). Music: Kevin Twit CCLI #3112038

E **Bm**
Thou lovely source of true delight
A **E**
Whom I unseen adore
D **A/C#**
Unveil Thy beauties to my sight
E **Bm**
That I might love Thee more
D **A** **E**
Oh that I might love Thee more.

E **Bm**
But ah! Too soon this pleasing scene
A **E**
Is clouded o'er with pain
D **A/C#**
My gloomy fears rise dark between
E **Bm**
And I again complain,
D **A** **E**
Oh and I again complain.

E **Bm**
Thy glory o'er Creation shines
A **E**
But in Thy sacred Word
D **A/C#**
I see in fairer, brighter lines
E **Bm**
My bleeding, dying Lord,
D **A** **E**
I see my bleeding, dying Lord

E **Bm**
Jesus, my Lord, my life, my light
A **E**
Oh come with blissful ray
D **A/C#**
Break radiant through the shades of night
E **Bm**
And chase my fears away,
D **A** **E**
Won't You chase my fears away.

E **Bm**
Tis here, where'er my comforts droop
A **E**
And sin and sorrows rise
D **A/C#**
Thy love with cheering beams of hope
E **Bm**
My fainting heart supplies,
D **A** **E**
My fainting heart supplies.
