TAG: Em D/F# G G/B C2

Em D/F# G C Em
There will come a day when God will be our light
C/E G/D Dsus D
And the dark of night will be sent to its grave
Em D/F# G C/E G/D
And there will come a time when we will live forever
C Em Dsus D
In a city that will never pass away

PRE-CHORUS:

C D Em D
Oh how my soul yearns and even faints

CHORUS:

C G
But until that day comes,
Dsus Em
I will go and warn the darkness
C G Dsus D
That the light of Jesus Christ has overcome
C G
And until that day comes,
Dsus Em
I will speak to all injustice
C Em Dsus
That the moment of its ending is sure to come

TAG: Em D/F# G G/B C2
Oh the day will surely come

Em D/F# G C Em
We who are His Church must prepare His coming
C/E G/D Dsus D
And go and tell the nations of His worth
Em D/F# G C/E G/D
And let us give our lives To the calling that is on us
C Em Dsus D
To bind up every wound and every hurt

(PRE-CHORUS)

(CHORUS w/o TAG)

Oh the day will surely come
